Dates: Saturday, July 27, 2024 | 1:30P – 3P

Project description: Cork has become so popular and is fun and easy to sew! Finishing 5” x 3.5”, this cute little companion will hold your credit cards, ID, and a little extra for your next trip around town. No hardware or special techniques are required. Pair this class with the Bendy Bag for a full day of sewing! Fee \$20.

Pattern: Corky Wallet by Sassafras Lane Designs

Fabric requirements:

- Cork Fabric: 18” (25 inch wide)

Sewing supplies:

1. Sewing machine with power cord/foot control/edge stitch foot. Teflon foot is helpful but not required. I will show you a hack for this.
2. Clips (note pins are not used with cork)
3. Coordinating polyester thread, pick a thread as close to the color of your cork.
4. Ruler, rotary cutter, cutting mat.

Preparation prior to class:

We'll cut everything in class.
