

# Monogram Magic

## Supply List

**Instructor:** Beth Dague & Caity Coffin

**Date:** Friday, April 5, 1:30pm – 4:30pm

### **Class description:**

Monograms are really big for this season! Just look on Pinterest for tons of examples. Put your embroidery machine to work to be a star in the world of monograms.

Ideas will be shared for making the most mundane item fun for yourself or wedding, anniversary, and graduation season.

We will look at the history of monograms; then share ideas for how to stitch on readymade items.

We will discuss the various tools that help the process and techniques that I have used successfully.

Advice will be given for using the fonts found on your various embroidery machines. Fun fonts and monograms are available on many websites. We will take a look at some that can be downloaded for a few dollars that will give your projects a new look.

We will talk about the advantages of using software, including an in-depth look at Bernina v9 software and how easily it can assist you in making monogram magic!

### **Supplies:**

Just a paper and pen and any questions or ideas you'd like to share.
