Description:

Join the QB Embroidery Club for a new, creative and fun monthly project. Come see us in store to **pick up your designs and kit** and meet other embroiderers. We'll share **show & tell** (bring something to show and get entered to win a **door prize!**), then give an overview of **tips and techniques** featured in that month's project.

If you'd like to stay and sew with us, add on the optional sew-along from 2:30pm-4:30pm each month to get more experience with your embroidery machine!

Supplies:

1. A USB stick to receive the monthly design
2. An embroidery project you're working on that you'd like to share (optional)
3. Something to write on if you'd like to take any notes
