Stay & Sew

SUPPLY LIST

Instructor: QB Team

Dates: 3rd Wednesday of each month starting May 15th
3 months covers: 5/15, 6/19, 7/17

Description:

Join the OESD Stitch Party for a new, creative and fun monthly project. Come see us in store to **pick up your designs and kit** and meet other embroiderers. We'll share **show & tell** (bring something to show and get entered to win a **door prize!**), then give an overview of **tips and techniques** featured in that month's project.

Bring your machine with you and we'll get it set up at 2:30pm, then spend the rest of the afternoon stitching together. If you are looking to get more comfortable with your embroidery machine through regular practice, or just experience the joy of completing a project, this is the class for you!

Supplies:

1. Your embroidery machine with module, power cord, embroidery foot, and hoops.
2. Any sewing or embroidery supplies you like to travel with: thread snips, marking pencils, pins, clips, etc.
3. A selection of thread colors. We will have some to share in class but bring a variety, so you have lots to choose from!
