

Rope Bowl Basics

SUPPLY LIST

Instructor: Chris Corcoran

Dates: Friday, June 28th | 10A-1P

Project description: Fun class for first timers or experienced rope bowlers. We will have fun making 3 small projects in class from stitching flat coasters, to a circular bowl to an oblong catch-all. We'll talk about other projects and different techniques so you will be able to tackle other projects with confidence.

Book: Zigzag Rope Sewing Projects by Katherine Lile. Recommended but not required. It's a great book for reference and has wonderful projects. Easy to follow instructions.

Fabric Requirements: 100 Ft (one package) of 100% cotton clothesline. Either 3/16" (5mm) or 5/16" (8mm) thick. Please make sure it is 100% cotton. Bring a small bag of small fun colored fabric scraps that we will be used to wrap around the rope.

Sewing supplies:

- Sewing machine, cord, foot control, basic sewing foot for straight stitch and zigzag. Make sure you put on your throat plate that will accommodate zigzag stitching. IF you have a knee lift- bring it! You will thank me.
- Pack of Denim Needles
- Pins, clips, thread snips, fabric marker and a glue stick. Fabric glue or ES600.
- White or off white 50 wt cotton thread for assembly
- Bobbin thread should be the same as top thread.
- Measuring tape and small 6" or 12" ruler

Preparations prior to class: Please make sure you know how to adjust zig zag width and length on your machine. A basic knowledge of your sewing machine is also required.
