

# Rotary Cutting Basics

## SUPPLY LIST

**Instructor:** Lisa Merkle

**Date:** SATURDAY, JUNE 8<sup>TH</sup> | 1:30P-2:30P

**Project description:** Students will receive a demonstration on rotary cutter basics and SAFETY. We will also learn the difference between bias, cross-grain, lengthwise grain, sub-cutting, reading a pattern (WOF, HST, QST) and other issues and questions students may have. After the demonstration, you will practice your rotary cutting skills on a pattern of your choosing.

**Pattern:** Student's choice

**Fabric requirements:** Bring the fabrics required for your pattern and we will work through it together for fabric placement, cutting, sub-cutting, and other questions.

### **Sewing supplies:**

Rotary cutter, cutting mat, ruler

### **Preparation prior to class:**

\*Bring a covered drink and a snack as we will work through lunch on this project.

\*Be prepared to have fun and learn a lot!
