

Studio Tunic

SUPPLY LIST

Instructor: Chris Corcoran

Date: FRIDAY, JUNE 21ST | 10A-4P

Project description:

The Studio Tunic is a pinafore-style pullover tunic. You do not need to know clothes construction. However, it is required that you ***know how to sew and you are familiar with your sewing machine.*** The tunic is a loose-fitting fun and easy pattern where you will learn how to make French Seams, apply shaped facings, and construct patch pockets.

Pattern: Required: The Studio Tunic by Sew Liberated

Fabric requirements: Refer to pattern for fabric and interfacing type and yardages. Mid weight woven fabrics like linen, linen blends or denim fabric is preferred.

Sewing Supplies:

1. Sewing machine, foot pedal, electric cord, standard foot for straight and zig zag stitching, top stitch foot is optional. This is made with 1/2" seam allowance so do not bring your 1/4" foot.
2. Rotary cutter or scissors for cutting out fabric. Pins or weights (4 soup cans are great!) for holding the pattern on the fabric.
3. Thread to match your fabric. Bobbin thread can match or be neutral.
4. Pins or clips for sewing. Fabric marking pen.
5. Thread snips, fabric shears. Small 6" ruler or measuring tape.

Preparation prior to class:

- Purchase pattern, fabric, interfacing, matching thread.
- Read through the pattern to familiarize yourself with steps.
- Use a measuring tape and measure your bust and hip area. Have those measurements ready so we can determine sizing.
- Make sure you are familiar with your sewing machine and how to use it.
- WASH AND IRON YOUR FABRIC.
