

IP65-rated Moving Linear Wash/Beam

Dynamic Lighting FX

The MystACL Z™ IP is an IP65 rated outdoor LED fixture, that comes fitted with 10* high-output 40W 4-in-1 RGBW LEDs that guarantee brilliant, flicker-free lighting. Its motorized 3 to 60-degree zoom capability allows for a seamless transition from a tight row of sharp colored beams to a wide wash effect. Furthermore, this luminaire features a remarkable 240-degree motorized tilt, that enables precise, fluid movements that can craft captivating visual displays in any outdoor environments.

Loaded with Features

Equipped with a broad range of features, it not only offers basic functionality, but also dual-group pixel mapping, and full pixel mapping capabilities. But truly unique is its three-layer sets in 28-channel DMX mode, which allows adjustable pixel layer lengths of two overlapping groups of user-selectable background colors or patterns. Housed in a sleek, weatherproof design, it supports both 5-pin DMX and ArtNet, and can be navigated easily through its LCD control menu with touch-sensitive buttons.

Backed & Certified

MystACL Z™ IP fixtures are ETL listed, and of course they are covered by Blizzard's 2-year limited warranty.

Main Features

- 10* 40W RGBW 4-in-1 flicker-free LEDs, 50,000 hours
- Fast and precise 3-60° zoomable beam angle
- 8-16 bit motorized 240 degree tilt
- Single or dual pixel mapping capabilities via DMX
- 3-layer effects via DMX with pixel sets & macros
- Built-in macros with patterns + multiple color presets
- Smooth electronic dimming & 1-10Hz strobe effects
- Efficient low noise fan cooling system
- Retractable end-to-end fixture alignment system
- 5-pin DMX + RJ45 input/output connections
- PowerCON® TRUE1-compatible power input/output
- Dual omega brackets with 1/4-turn fasteners

Optical

10* 40W RGBW 4-in-1 LEDs (50,000 hrs.)

3-60° zoom

Luminous Intensity
7,422 Lux @ 2.5M (3°)
1,083 Lux @ 2.5M (60°)
1,635 Lux @ 5M (3°)
366 Lux @ 5M (60°)

Weight & Dimensions

11.4" x 6.25" x 12.5" (541 x 121 x 397.6 mm)

34.7 lbs (15.7 kg)

Control

DMX-512, Art-Net
