CW+WW

IP65-rated LED Wash w/Zoom + FX

Innovative Illumination

Meet the Motif™ Settelenti (CW+WW), an avant-garde innovation in outdoor lighting. Equipped with 7x 40W LEDs, the fixture provides intense illumination, further enriched by its 5.7° to 38° motorized zoom, color macros, and strobe effects. A standout feature is the 96x frost-filtered 0.2W RGB SMD LEDs encircling each primary LED, offering a subtle and captivating visual layer that contrasts with the main LEDs. This innovative blend creates a unique ambiance, setting it apart from traditional LED pars.

Exceptional Versatility

Designed for precision and flexibility, the Motif Settelenti (CW+WW) offers independent control over its 40W LEDs and the surrounding SMD LEDs. Whether you're navigating through its intuitive touch-sensitive LCD menu or leveraging DMX control, you can tailor the fixture's performance to your exact needs. Encased in a robust heavy-duty aluminum housing with an IP65 rating, this fixture is crafted for both aesthetics and durability, ensuring it's not just another LED par but a revolution in outdoor lighting.

Main Features

- 7x 40W 2-in-1 CW+WW LEDs (60,000 hours)
- 96x 0.2W RGB SMD LEDs
- IP65 rated, suitable for outdoor use
- Smooth 0-100% linear dimming
- 5.7° to 38° zoomable beam angle
- Separate LED/SMD color presets + auto
- 1-20Hz strobe effects
- IP65 rated 3-pin DMX and power in/out connections
- powerCON™ TRUE1 compatible power in/out
- Heavy-duty aluminum enclosure
- 4-button LCD menu w/touch sensitive buttons
- Available with black or white housing
