

LA-421

1-Port USB Charger

Configuration:

LA-421-01 1-Port USB Charger (North America)

Product Overview:

The LA-421 turns your wall outlet into a charging station, which keeps your Listen iDSP products ready to go. Ideal accessory for personal use of iDSP products or for smaller venues. The charger's compact design makes it easy to store and does not block extra outlets on the wall. Supports input voltages of 100-240 VAC, 50-60Hz. Compatible with Listen iDSP receivers.

Highlights:

- Charges Listen iDSP products
- Ideal accessory for personal use of iDSP products or for smaller venues
- Compact design only covers one outlet
- Easy to store or travel

Includes:

- One (1) LA-421 1-Port USB Charger
- One (1) LA-422 USB to Micro USB Cable
