BATTE BASEBALL

BB-COMP

Available in 32 and 33 inch sizes, this bat is perfectly balanced with variation in barrel size depending on overall bat size. It is an ideal choice of bat for young batsmen who want power.

This beautiful piece is a 100% carbon model of very good quality which will offer a great balance between resistance and weight.

The simple design of this bat gives it an aggressive and modern look.

If you are looking for a reliable bat, between power and lightness, which could improve your performance, the BB-COMP baseball bat is exactly what you need.
