

Living Stewardship

About this Faith Practice

As a way of life, expressed in gratitude, living stewardship is a practice that involves all that it means to live as faithful followers of Jesus Christ. It grows out of a deep caring for and joy in who we are as God's created people and the natural world in which we live. Living stewardship is about how we live our lives and how our lives express our values. It affects all of our decisions, especially the ones we make about the natural and human resources entrusted to us for care. Living stewardship is shalom: living in harmony with others and the world. It is about our relationships, liberation, grace, justice, peace, and mutuality as well as our material possessions. As faithful stewards, we are joined by our common gift of life and the reality of finite resources. We recognize that each of us is a mixture of neediness and fullness and so have responsibility to care for each other as we honor the holy in creation and ourselves. As faithful disciples, we are called to live as generous creatures created by a generous God who mutually shares responsibility with us for all creation. Stewardship involves all people because all are connected in mutually covenanted stewardship within God's original intent for creation....

Let's Begin...

Now that you've downloaded the files for your faith practice and age group or setting, you can get started planning one or multiple sessions:

1 Open the .pdf file for your age group or setting. Choose an Exploration, the approach you think will help your group to best experience the faith practice. Choose any one of the following Explorations to use for one session:

Discovery

Scripture

Discipleship

Christian Tradition

Context and Mission

Future and Vision

Note: If you're planning multiple sessions, you can follow the order suggested above or feel free to use any order that fits the needs of your group. Some groups may choose to start with Scripture and then see where that leads them. Others may be more ready to act in their community and might want to start with Context and Mission.

Living Stewardship

- 2 Locate the Exploration you've chosen
- 3 Look through all 9 activities and select the ones you would like to do with your group.
 - If you're planning a 30–45 minute session, choose 3 activities.
 - It is best to select at least one activity from Exploring and Engaging, at least one from Discerning and Deciding, and at least one from Sending and Serving.
 - For 45-60 minutes, choose 4 or 5 activities; For a 1½ to 2-hour session, you can use all 9 activities.

Tip: Look for this symbol  to find activities designed for Easy Preparation (able to be done with minimal preparation using supplies normally found at the church).

- 4 Make copies of any handouts () related to your activities. Locate images () , if using art.

Use of Art, Music, and Scripture in Faith Practices

Faith Practices activities include many opportunities to grow in faith through the use of scripture, music, and art.

Art

If you choose activities that use an art image, you or your church will need to purchase Imaging the Word Poster Sets of the art or locate the images through other sources. If you wish to use art, you will need to plan ahead if ordering the posters through online sources.

“Planting” by Rex Goreleigh
