18.5+/20 “... sweet and decadent to taste and light-medium bodied, lusciously rich flavours of ripe, exotic tropical fruits and citrus fruits are melded with honey, marmalade, crystallised fruits and a little toffee. **This is a rich and luscious botrytis-affected sweet Riesling** with layers of exotic fruits, marmalade and lifted florals, and a soft, near unctuous mouthfeel.”
- Raymond Chan, www.raymondchanwinereviews.co.nz, NZ

2011

95/100 “... **impressive purity and a lingering finish that refuses to quit ...**”
- Bob Campbell MW, www.bobcampbellwinereviews.com, NZ

19/20 “...Very rich and opulent, this is nectar-like with an unctuous and rounded mouthfeel. Decadent flavours of citrus fruits, marmalade, honey and toffee unfold in gentle waves, and the wine coats the palate. The fruit and botrytis show great presence and intensity. Lifted floral and VA elements cut the richness with fine, underlying acidity lending drive. **The wine flows seamlessly to a soft, lush, very long, lingering finish. This is a rich and unctuous botrytised Riesling.**”
- Raymond Chan, www.raymondchanwinereviews.co.nz, NZ

TOP TIP Golden in colour and honeyed on the nose this is classical dessert wine. The concentrated fruit in the palate shows lemon, citrus and a nudge of marmalade. **Unctuous and everlasting. Yum.**

- *TizWine.com, NZ*

This was the panel's favourite wine in the New Release tasting. It just strikes that perfect balance between fruit sweetness and acidity making it **the perfect dessert wine. Yum!**

- *Wine NZ magazine, NZ*

91/100 "... has a **profoundly scented nose** of acacia honey, apricot preserves and orange marmalade with touches of frangipani and dried mango. Fully sweet, rich and viscous, it gives a **satisfying tropical fruit and honey layers with a good line of enlivening acid and a long finish.**"
