2012

“...This has an elegant bouquet with gently building aromas of black berry and dark red plum fruit infused with redcurrants, herbs cedar and pencil shavings oak. **The nose is seamlessly melded and reveals fragrant spices**, musk and a suggestion of camphor. Medium-full bodied, the palate is softly concentrated with integrated flavours of red berry and currenty fruit, herbs, cedary oak and musk. The flavours show good depth and the palate flows smoothly with satin-like tannins, and underlying acid vitality. The wine carries to a long, complex-flavoured finish with secondary dried herb, undergrowth and sweet, cedary oak notes....”

- Raymond Chan, *www.raymondchanwinereviews.co.nz, NZ*

2011

“Full-coloured, with fresh plum, spice and nutty oak flavours, **showing excellent complexity and depth.**”
