## BE BETTER LEMON TRAYBAKE

*Vegan*

If you like your lemon cake to really taste of lemon, you will love this cake. A wonderfully soft textured sponge with lashings of fresh lemon. What makes this cake even more special is the silky smooth vegan 'Be Better Butter' which we have fallen in love with. Be Better Butter is made by a business with the aim to accelerate the move to sustainable food. We are proud to be working with a company like this. Unlike a lot of other plant based frostings, you would never know this was a vegan cake!

Tasting notes: floral, creamy, lemon

*Perfectly paired with Mint Tea*
