201 RABBLE SAUVIGNON BLANC

100% Sauvignon Blanc

LABEL STORY: *These are our single varietal wines; uncorrupted and pure.* The Rabble labels are renditions of historical wood block prints from the Nuremberg Chronicle (late 1400's), textured and tactile, depicting nature's wrath. Nature is ruthless when it goes ignored. This label illustrates the Pegasus being unchained!

WINEMAKER'S TASTING NOTES:

uicy grapefruit, white peach and hints of pineapple. Bright flavors of tangerine, Meyer lemon and young mango harmonize on the palate with hints of fresh herbs with bright minerality. The natural acidity acts as a backbone and gives the wine a vibrant and refreshing finish.
