

“ I do not consider PCCA a vendor; they have become a **BUSINESS PARTNER** that cares deeply about my business and has been instrumental in our **LONGEVITY AND SUCCESS**. ”

Jim Hrncir, RPh
Las Colinas Pharmacy
in Irving, Texas

PCCA PHARMACIST OF THE YEAR 2018

HELP MORE PATIENTS. DIVERSIFY YOUR REVENUE. ACHIEVE LONG-TERM GROWTH.

PCCA helps pharmacies create compounded medicine the right way with our clinical, formulations and regulatory support; ACPE-accredited training; and world-class products. When you partner with PCCA, you become part of a global, connected community of the world's leading compounding pharmacists.

Plus, you secure unlimited, exclusive access to:

PCCA'S FORMULA DATABASE

- **9,400+ tested formulas** available 24/7 online
- **144 FormulaPlus™ formulas** with beyond-use dates, including 37 bracketed studies for a broad range of active ingredient concentrations
- **Online formula calculators** that save significant time in compounding calculations
- **Comprehensive digital flavor guide** to help you suit the taste of your patients

EXCLUSIVE BASES & WORLD-CLASS PRODUCTS

- **60+ proprietary bases**, developed and produced exclusively for PCCA members
- **The most extensive catalog** of world-class products and hard-to-find chemicals in the industry
- **Confidence** that your patients' medicine is made with ingredients that meet and exceed industry requirements, thanks to our commitment to The PCCA Standard™.

CLINICAL SERVICES TEAM

- **20+ clinical compounding pharmacists available 24/7** to answer your pressing clinical, formulation and regulatory questions
- **10+ areas of expertise** covering every compounding specialty, including adrenals, dental, dermatology, ENT, hospice, neurology, pain, pediatrics, thyroid, sterile, veterinary and wound

COMPOUNDING TRAINING & EDUCATION

- **100+ in-person and online education opportunities** each year
- **Newly reengineered training lab** that simulates a compounding environment based on the latest USP guidelines
- **Money-back guarantee** if you're not satisfied

Last year alone, PCCA **invested over \$6 million in clinical services, formulations and testing** to give our members a true competitive advantage in the marketplace. Join today to reap the benefits of this investment and ensure the future success of your pharmacy.
