INSPIRING PAINTS

Discover the versatility of Autentico for classic and contemporary lifestyles

NATURAL VERSATILITY AT OUR CORE

At Autentico, we manufacture our own line of paints, combining technology with tradition and creativity with professionalism.

Our paints contain the highest levels of chalk, are low in VOC and many core paint products are completely child safe (EN71-3). With an unrivalled palette of more than 150 deep and rich colours, we truly are in a league of our own.

Whether you are embarking on a creative venture at home, or maybe something bigger, Autentico will always provide a quality, honest and versatile product to suit your aspirations.

Eric & Ris
Founders of Autentico

WHAT IS CHALK PAINT?

Chalk paint is – it really is in the name – a descriptive term for paint with chalk as an important ingredient.

Together with water, natural pigment and resins, chalk is actually a filler resulting in a breathable, odour-free matt finish paint with superb adherence and coverage on almost any surface; properties that have kept it in use as a medium for hundreds of years.

Now, mixing (literally) traditional paint recipes with modern techniques and comprising a palette of more than 150 colours, Autentico has been a leader in chalk paints for many years.

Due to its porous structure, not only is it great for your walls, chalk paint is perfect to use for decorative techniques such as sanding through, crackling, and many other ageing techniques for a true vintage or shabby chic style.

VENICE WALL & FURNITURE PAINT

This high quality lime paint is designed to give a long lasting, unique finish with superior coverage and beautiful depth of colour.

Historically, lime paint was widely used on account of some of its unique properties which we have embraced; Autentico Venice is made of pure slaked lime, natural fillers and does not contain any synthetic binding agents.

- Environmentally-friendly
- Water-based
- Interior use only
- Superior slaked lime paint with high coverage
- Great for heritage builds, restorations and feature walls
- 108 deep and rich colours
- Sheen value 2% (Ultra matt)
- Covers 8-13m² per litre*
- Mineral substrate required for adhesion
- Easy to apply with brush
- Perfect for artisan effects such as Fresco, Secco and Bagnato

VELVET WALL & CEILING PAINT

Autentico Velvet is our superior water-based, ultra-matt and strengthened paint for walls and ceilings. Autentico Velvet achieves excellent adhesion and a long-lasting, breathable finish with true depth of colour.

- Environmentally-friendly
- Water-based
- Strengthened durability
- Great for walls and ceilings
- More than 150 deep rich colours
- Sheen value 2% (Ultra matt)
- Covers 8-13m² per litre*

ESTERNO EXTERIOR WALLS & MASONRY

Autentico Esterno is a high quality exterior matt finish hybrid paint, designed for brickwork, masonry and render.

This robust paint forms a protective layer that is as moisture-proof as any premium acrylic paint, but also has the microporous and breathable qualities of a mineral paint. The result is an ideal protective layer, whereby the treated material keeps its properties and retains the moisture exchange with the surrounding environment.

- Environmentally-friendly
- Water-based
- Great for exterior use
- Carries a UV filter and moisture membrane
- Self-cleaning system
- Dirt and fungus do not penetrate the film resulting in a permanent unsoiled and easy to clean surface
- Sheen value – 2% (Ultra matt)
- The coating forms a layer that is non-flammable
- More than 150 deep rich colours
- Suitable for brickwork, render and masonry
- Covers 10m² per litre*
- Coverage on pebble dash surfaces can be reduced to 4m² per litre*

VIVACE INTERIOR & EXTERIOR WOOD

Autentico Vivace is designed for use on interior and exterior wooden surfaces for extra durability where you need it most e.g. window frames, doors and chalets.

- Environmentally-friendly
- Water-based
- Exterior and interior use
- Carries a UV filter and moisture membrane
- More than 150 deep rich colours
- Suitable for wooden surfaces including window frames, doors and skirting
- Sheen value - 5% (Matt) 15% (Eggshell) 55% (Semi gloss)
- Covers 12m² per litre*
