ORDER PROCESSING

Orders placed before 12 noon on working days will be dispatched on the same day where possible. Orders placed after this time will be dispatched on the next working day. For example, orders placed after 12 noon on Fridays will be dispatched on Monday.

Orders placed on www.denmanbrush.com are dispatched from our facility in Northern Ireland, United Kingdom.

Our stock team pick, pack and ship orders very quickly so it is not always possible to change or cancel orders once they have been placed.

If you no longer require your items but the order has already been dispatched, please refuse the delivery, or write “return to sender” on the box and drop it off at your local post office.

Please note that we are not able to make significant changes to the shipping or billing address. If you have used an incorrect address, please cancel and re-order your items.

ORDER DELIVERY

We offer a variety of options for domestic and international shipping and always work closely with our delivery partners to deliver your parcel on time.

Sometimes circumstances out of our control may delay the delivery of your parcel. We do our best to keep customers informed when these situations arise. You can read about possible delays on our delivery information page and on the status page of our website chat box.

RETURNS

This section describes the returns process for customers who purchased their product from www.denmanbrush.com only. Other retailers have their own policies about when you can return an item. If you purchased your brush elsewhere, please contact that retailer directly in the first instance.

Our returns policy enhances your statutory rights, which remain unaffected. If we are unable to locate your order, proof of purchase must be provided.

RETURNING UNUSED PRODUCTS

If you have changed your mind about a product after you have received it, you can return it to us within 14 days. The product must still be new and in a sellable condition, that means that it is unused and in its original, unopened packaging. Products that have been used are non-refundable, as is the cost of return shipping.

RETURNING USED PRODUCTS

If you have used your item but are not happy with its performance you can exchange it within 14 days. Please contact our customer service team to make these arrangements.

Once we receive your returned item you will be issued with a purchase code equal to the original product cost, excluding shipping. This code can be used

on the www.denmanbrush.com website to purchase a new item within 90 days. Please note that shipping costs are non-refundable.

RETURNING FAULTY PRODUCTS

If you experience a problem with your product within 12 months, we will repair or replace the item or the defective component free of charge. Please contact our customer service team to make these arrangements.
