

Engraving Design Recommendations

With 5 years experience, our expert team personalizes your brand logo with precision to fit uniquely on each HALM Straw. Whether **text or logo designs**, the end result is always **high-quality and memorable**.

Below are some examples of customers logos with different design features. Please take note to see how your own logo could look. We offer a photo sample on request for 7,90 € to check the final result before your order is sent. Check the add-on box in checkout for your sample.

Colored/Filled Logos

Colored or filled areas are represented by **engraved** or **non-engraved** areas.

Round Logos

For better readability, we recommend arranging round logos as **single-line** text.

Two-lined Logos/Texts

We recommend arranging texts in **single lines** to ensure maximum readability.
