# Blessed to be a Blessing!

## More Than Just Business

Prince of Peace has a vision not only to do business, but to also contribute to the future of our world. Our primary emphasis has been providing care to orphaned children with special health needs in China. The Prince of Peace Children's Home (POPCH) and Children's Rehabilitation Center is home to 138 children in Tianjin, China. These children range in age from four to eighteen years old.

## Holistic Approach & Personalized Care

POPCH has a vision to help the children rehabilitate and grow to their utmost potential. There are a variety of rooms with different developmental focuses: Toy Library, Music Room, Sensory Room, Spa Room (warm water therapy is particularly good for the children with cerebral palsy), and Garden/Aquarium Room. Each child has a tailored developmental program (physical, social, and mental) followed by the staff to help towards becoming as independent as possible.

## Model Of Care

One of POPCH's goals is to be a model of high standard of love and care for other orphanages. Since 2010, it was chosen as the designated training center of the Training College of the Ministry of Civil Affairs in China.

2003年，美國太子行總裁楊應瑞先生創辦的美國慈親基金會，連同中國武清區民政局興建了和平之君兒童福利院，成為中國政府批准、與海外華人合辦的第一所孤兒院。美國慈親基金會是全國前100家、也是天津市第一家獲批准的海外慈善機構。這認可擴大了我們對那些需要幫助的兒童的服務範圍，並進一步幫助我們實現其他慈善項目。

我們的兒童福利院目前一共供養著138位孩子。他們有著不同的先天性疾病，最小的孩子為4歲，而最大的孩子為18歲。兒童福利院的老師們每天不辭勞苦的服務他們。我們正在積極地探討並培養大齡兒童獨立生活的能力、自我及就業的意識和能力。

自2007年起，超過50名孩童經過手術及康復後，先後獲得中國國內及海外家庭的領養。歡迎登入 [www.popsfoundation.org](http://www.popsfoundation.org) 分享我們對孩童的愛護和關顧。歡迎閣下支持我們的事工，所有捐款可獲得免稅收條。
