Make a bold statement with the new line of genuine Harley-Davidson® writing instruments, desk accessories and leather goods by Retro 1951. These products command attention through their distinctive design in the true spirit of Harley-Davidson. Retro 1951 delivers these tough high-quality accessories intending to capture the passion for the motorcycle company that is **an unmistakable American legend.**

## WRITING INSTRUMENTS

### HERITAGE SERIES

Black Rubberized Pen & Pencil Set HDST-1601

Pink Blaze HDBP-1613

Orange HDBP-1602

Capped Rollerball HDRP-1615

Twist Ballpoint HDBP-1615

# ROAD WRITER

"Pack light, Ride Big" is a H-D® slogan that inspired us in the creation of this leather wallet complete with ballpoint pen and note pad. It has been made with genuine leather with contrast stitching that holds a small pen that has the feel of a vintage H-D® motorcycle.

Road Writer HDRW-1631  
Ballpoint\* HDBP-1645

\*Pen also sold separately

# STREAMLINER

Built for business, this set has the sleekness of a H-D® motorcycle sure to inspire your performance in the boardroom. Made from a combination of durable materials, this portfolio holds a note pad and rollerball pen.

# H-D<sup>®</sup> DESK SETS

These new desk sets from Retro 1951 bring Harley-Davidson power from the foundry to the utility of your desk. These heavy, high-quality desk sets will stand out with their chiseled look on any desk. They have more than just ornamental value, they also stand as a symbol for Harley-Davidson<sup>®</sup> pride.

## TREADWAY | HDDS-1655

The Treadway features a rigid diamond plate metal base with a high-quality black rubberized Rollerball pen.

## INFERNO | HDDS-1658

The Inferno is sculpted with stylized flames that wrap around the fuel tank shaped base and is fitted with a red lacquer Rollerball Pen.
