The Hula

Welcome to RETRO 1951's first limited edition of the Hawaiian series. Sit back, relax and remember the past times or dream of things to come. The beaches, sea breezes, and the old banyan tree.

This Aloha gift set includes a HULA Tornado pen and matching key ring. The key ring houses an original Honolulu bus token vintage 1951.

Tornado Datas

These twin pens offer the PDA enthusiast a great ball point pen with a data point as the second function. Small enough to fit in your carrying case and cool enough to use constantly. If you do not use a PDA, the second function can be a different color ink or special highlighter for those uplifting thoughts.
