"This relationship is unique because it offers an opportunity to establish a growing financial bond between the stylist and the end user," said Robbie Conwell, Founder, All-N-1 Beauty Supplies, Inc. "Additionally, this relationship opens an opportunity for stylists to work with a quality product as well as innovative and interesting ideas."

"All-N-1 Beauty Supply has such a formidable reputation as well as longevity in the beauty industry. "We're confident stylists and their clients will be impressed with the PURE Collection options for straight, wavy and curly textures."

About the PURE™ Collection

Indique Hair International's Remy hair extensions are unparalleled because the virgin hair used has all cuticle layers running the same direction from root to end. This ensures that the extensions behave exactly like a woman's own hair and guarantees natural wave, fullness, luster and remarkable usability. Both light in weight and supple, Indique Hair International hair maintains a natural flow and movement. Chemical free, Indique Hair International hair enhances the length, color and texture of natural hair for a flawless and refined weave or hair extension style. Additionally, Indique Hair International hair can be reused up to a year and can be washed, blow dried, curled, flat ironed, colored and permed.

Hair in the PURE Collection is available in 10" to 24" lengths and in rich, virgin hair color. Not only will consumers be impressed with the quality of Indique Hair International extensions, but the presentation of the product was also given much consideration. Indique Hair International hair is carefully arranged in unique tube shaped packaging, the first of its kind in this industry, to offer a visual impact of its luxurious nature.
