## INTRODUCING THE MACKENZIE WATCH CASE

The Mackenzie watch case epitomises the blend of cutting-edge engineering, traditional craftsmanship and exquisite materials that distinguishes the Canadian luxury accessories brand Charles Simon.

Made from exceptional materials including French calf leather and premium Alcantara®, the watch case features a sturdy lightweight carbon fibre and aluminium structure that protects timepieces on the go or elegantly displays them at home. In addition, Charles Simon offers a bespoke service to design watch accessories to accompany your specific journey.

The Mackenzie holds 10 or 12 watches and is available at [charles-simon.com](http://charles-simon.com) as well as various retailers including Mr Porter (Net-à-Porter group) and Perpétuel in Dubai.

Price: From US\$ 4,990
