

Product Limited Warranty

Labelmate USA warrants to the original end-user customer that Labelmate USA products will be free from defects in materials and workmanship for the duration described herein below. Labelmate USA's Limited Warranty covers only those defects that arise as a result of normal use of the products and does not cover any other problems, including those that arise as a result of: (i) improper maintenance or modification; (ii) parts or supplies not provided or supported by Labelmate USA; (iii) operation outside the products' specifications; or (iv) unauthorized repair, modification or misuse. Use of any unauthorized accessory or attachment will void coverage.

The Warranty period for all products commences the date of shipment from Labelmate USA and accrues to the original end-user customer. Warranty coverage is non-transferable and terminates immediately upon rental, resale or any other change in ownership. Original purchase documentation should be retained for Warranty coverage verification.

In the event Labelmate USA substantiates, during the applicable Warranty period, a defect in any product which is covered by Labelmate USA's Warranty, Labelmate USA shall repair or replace the product, at Labelmate USA's option. Labelmate USA retains sole discretion to determine whether or not a product is defective. In no event shall Labelmate USA have any obligation to repair or replace until the customer returns the defective product to Labelmate USA. The customer assumes any and all responsibility and liability associated with transportation of products for service under this Warranty.

SPECIFICATIONS:

Roll Weight: Recommended Maximum 44-lbs. (20Kg).

Shaft Diameter: Fits 0.625" diameter shaft with flat. Other sizes are available for OEM quantity applications.

Key to Model Numbers = C - [DIAMETER] – [WIDTH]

<u>MODEL</u>	<u>DIAMETER</u>	<u>WIDTH</u>
<u>C-1.5-170</u>	38.1-mm / 1.5"	170-mm (6.5 inches)
<u>C-1.5-270</u>	38.1-mm / 1.5"	270-mm (10.6 inches)
<u>C-40-170</u>	40-mm / 1.575"	170-mm (6.5 inches)
C-70-170	70-mm / 2.756"	170-mm (6.5 inches)
C-76-170	76-mm / 3"	170-mm (6.5 inches)
C-76-220	76-mm / 3"	220-mm (8.6 inches)
C-76-270	76-mm / 3"	270-mm (10.6 inches)
C-100-170	100-mm / 4"	170-mm (6.5 inches)
C-100-220	100-mm / 4"	220-mm (8.6 inches)
C-100-270	100-mm / 4"	270-mm (10.6 inches)

SET-UP

Secure the inner Label Flange (if used) to the back of the "Quick-Chuck" using a Phillips screwdriver and the two Screws provided.

Mount the "Quick-Chuck" onto the shaft of the Rewinder or Unwinder and secure it with the Allen wrench provided. Be sure that the Set-screw is over the flat part of the Motor shaft.

USE

To use a "Quick-Chuck", just slide your Label Roll or empty Label Core over the "Quick-Chuck" and turn the red Lock Knob clockwise. Instantly your roll is locked in place.

IMPORTANT NOTE: When using narrow label cores the outer edge of the "Quick-Chuck" must be constrained to ensure that the "Quick-Chuck" expands evenly. To do this, simply squeeze the outer edge of the "Quick-Chuck" with your hand, or place another label core of the same size toward the outer edge of the "Quick-Chuck" as you tighten the red lock-knob.

To remove the Roll or Label Core, give the lock knob a turn to the left and pull your roll off the machine.

LABELMATE's "Quick-Chucks" are available in 10 models to accept popular core sizes. "Quick-Chucks" are standard on many LABELMATE Rewinder and Unwinder Models. See the LABELMATE USA Product Catalog at www.labelmateusa.com for more information.

MAINTENANCE:

Quick-Chucks require no maintenance.
