## Trusted by

## Our Story

Each City Bonfire is handmade in Maryland with American-made materials by two Dads whose jobs were impacted by Covid-19.

We believe that bonfire nights are the best nights. Gather around our City Bonfire and make memories! As Covid-19 has taught us, life is best spent making memories with our family and friends. So get outside, light up the starry sky and make lasting memories!

Thank you for supporting our small business!
