

ECENTRICA TEXTILE

Portable battery lamp emitting warm, soft, dimmable light. The diffuser, lined with Rubelli textiles, originates the unique combination of direct and reflected rays inspired by the effects of light on the stones, plaster and water of Venice.

TECHNICAL DATA

- Dims: \varnothing 150 mm x H 342 mm
- Light: 1.4W LED | 176 lumen | 2700°K | CRI>90
- Dimmer: 10% to 100% dimmable with smart touch sensor
- Battery: Li-Ion battery pack | 10+ h autonomy
- Input: USB-C | 5.0VDC | 2.0A | Dual voltage USB charger (100-240V|50-60HZ) with magnetic cable
- Body: recyclable aluminum
- RUBELLI Textile light diffuser
- IP43 resistant to rainwater drops (while unplugged)
- MADE IN ITALY
