# 2023 Monthly Planner

The year '2023' is rendered in a highly decorative, golden, 3D font. The numbers are thick and have a metallic sheen, with highlights and shadows that give them a three-dimensional appearance. They are surrounded by numerous small, five-pointed stars and larger, multi-pointed starburst sparkles, creating a festive and celebratory atmosphere. The background is a deep purple, which makes the golden elements stand out prominently.

“By failing to prepare, you are preparing to fail.”

— Benjamin Franklin
