

HydroPeptide Firming Vitamin C Mask Activated Brightening Treatment

Pro Solutions

What it is: This patented mask contains pure Vitamin C delivered via a revolutionary dry-dot technology to ensure maximum stability and potency. The activating Firming Ampoule is filled with collagen-boosting and wrinkle-relaxing peptides to augment the activity of the Vitamin C and enhance results.

- Firms sagging skin
- Brightens accumulated pigmentation
- Protects skin using potent antioxidants
- Reduces inflammation in skin

Who it's for: Suitable for all skin types, especially sagging, aging, pigmented skin.

How to use it: Separate Mask and Ampoule along perforated line. Tear open each sachet at indicated line near top. Pour Ampoule liquid into mask sachet, thoroughly saturate mask. (TIP: Mix by folding top down about 1cm (roughly twice) and gently rocking back and forth.) Remove mask and carefully unfold. Apply mask to face so that raised dots are in contact with skin. Leave for 10-20 minutes. Remove mask and remove any residue with damp cotton 4x4's.

Available Sizes: Professional Size 1 Treatment + 0.75 FL OZ (22mL)

Key Formulated Ingredients:

Firming Vitamin C Mask	Vitamin C (L-ascorbic acid)	Collagen Activator + Skin Brightener	A high dosage of Vitamin C has been shown to stimulate collagen synthesis in addition to its ability to brighten skin.
Firming Ampoule	Amino Acid Support Complex	Collagen-Boosting Blend	A blend of amino acids formulated to assist in the production of collagen protein.
	Gotu Kola + Allantoin	Soothing Antioxidant Blend	This botanical blend delivers soothing and calming benefits to the skin.
	Firming Peptide Blend	Structural Integrity + Wrinkle-Relaxing Peptides	Peptide complex assists in relaxing the muscle contractions that cause lines and wrinkles while improving structural integrity to fight against skin sagging and encourage a firmer, plumper appearance.
	Hyaluronic Acid	Humectant	Attracts hydration to the skin for a softer, more moisturized feel.
