

HydroPeptide HydraFlora

Probiotic Essence

Anti-Wrinkle + Detox Collection

What it is: This youth-boosting essence is formulated with a pre- and probiotic complex to balance and strengthen the microflora on skin's surface. A rich blend of botanical extracts packed with potent antioxidants brightens as well as protects the skin from free radical damage. Coconut water and blue agave refine the look of pores and provide a smooth complexion.

- Helps to reduce the appearance of fine lines and wrinkles
- Hydrates skin while optimizing pH and keeping microflora balanced
- Nourishes skin with potent antioxidants to brighten, protect against pollution and improvement overall skin functionality
- Combines natural astringents to detoxify skin

Who it's for: Suitable for all skin types, especially those struggling with dullness, hyperpigmentation, aging skin.

How to use it: After cleansing and toning (as well as exfoliation and mask if applicable), dispense in hands or saturate a cotton pad and smooth over face as well as neck and décolleté if desired. Follow with serum and moisturizer, and SPF if used in the morning.

Available Sizes: Retail Size 4 FL OZ (118 mL) | Professional Size 12 FL OZ (355 mL)

Key Formulated Ingredients:

Coconut Water + Blue Agave + Cactus Flower	Astringents	Natural astringent that helps detoxify the skin and reduce the appearance of pores to give a smooth complexion.
ProRenew Complex CLR + Ecoskin	Pre/Probiotic	These extracts help keep the microflora on the skin balanced to strengthen the skin's surface, restore the skin's pH and help suppress transepidermal water loss by improving skin barrier function.
Brassica Concentrate	Skin Defense	Antioxidant and phytonutrient extract blend of broccoli, cabbage, wasabi, and cauliflower protects the skin from free radical damage.
Sea Salt	Mineral	Essential salt minerals, including antioxidant-rich selenium, help to cleanse pores, balance oil production and thwart free radical agents.
Actiphyte® Complex	Antioxidant & Anti-Irritant Blend	A blend of Gotu Kola, Green Tea, and citrus extracts provide potent brightening via a rich source of antioxidants.
