HydroPeptide Hydro-Lock Sleep Mask

Royal Peptide Treatment

Anti-Wrinkle + Restore Collection

What it is: This luxurious sleeping mask blankets the contours of skin with a layer of intense, restorative hydration. The pillow-proof treatment beautifully smooths and perfects skin overnight with a soothing blend of HydrO18™ Activated Water™ and calming licorice root. Royal peptides mimic and enhance the regenerative powers of royal jelly to benefit cell turnover processes and provide vital nutrients to the skin. The result: skin will look and feel radiant, refreshed, and soft.

- Deeply hydrates skin
- Encourages healthy cell renewal
- Protects and brightens skin

Who it's for: Suitable for all skin types, especially dry or aging skin.

How to use: Apply thin layer as final product in your nighttime routine. Use nightly 1 to 2 times per week and rinse off in the morning.

Available Sizes: Retail Size 2.5 FL OZ (75 mL) | Professional Size 6 FL OZ (177 mL)

Key Formulated Ingredients:

HydrO18™ Activated Water™	"Water Shot"	Patented oleic acid formulation creates "smart" water shown to increase skin hydration and improve skin's retention of water.
Royal Jelly Peptide	Cellular Health Peptide	Mimics royal jelly to stimulate cell renewal and help skin create healthier cells.
Licorice Root	Antioxidant + Skin Brightener	Provides antioxidant benefit while brightening the skin.
