

## HydroPeptide Makeup Melt

### Botanical Cleansing Balm

#### *Anti-Wrinkle + Restore Collection*

**What it is:** This transformative makeup remover is infused with specialized cleansing extracts and botanicals that completely remove all traces of stubborn makeup and impurities without drying or irritating skin.

- Removes all types of makeup
- Hydrates and locks in moisture
- Protects and nourishes skin

**Who it's for:** Suitable for all skin types, especially those who want fast and effective makeup removal.

**How to use:** Massage small amount into dry or damp hands and gently apply to face using circular motions. Can be gently removed with tissue or damp towel and is ideal for makeup removal or as a first cleanse step. May be used AM & PM.

**Available Sizes:** Retail Size 3.4 FL OZ (100 mL)

#### **Key Formulated Ingredients:**

L22® Lipid Complex	Moisturizer	A patented lipid complex designed to deliver the skin surface lipid profile of a healthy 22-year-old.
Vitamin E	Skin Softener	Antioxidant vitamin that softens skin.
Hyaluronic Acid + Aloe	Hydrating Humectants	Calming, soothing ingredients that help draw hydration to the skin.
Cocoa Butter + Sunflower + Macadamia Oils	Makeup Removers	Skin-healthy oils that aid in the breakdown and removal of makeup.
Shea Butter	Moisture Lock	Helps to suppress transepidermal water loss and improve skin barrier function.
