

HydroPeptide Perfecting Gloss Lip Enhancing Treatment

Targeted Solutions

<u>What it is:</u> Restore lip fullness, volume and definition within minutes while enhancing long-lasting suppleness and hydration. This Perfecting Gloss will perfect your pout with a warming, tingling sensation and a luminous gloss.

- Helps reduce the appearance of fine lines within lips
- Increases fullness within lip area
- Helps promote healthy collagen
- Infuses skin with long-lasting hydration and suppleness

Who it's for: Suitable for all skin types unless extremely sensitive, especially thin, dry and aging lips.

How to use it: Apply a small amount to entire lip area. Do not apply outside the lip line. Do not over apply.

 $\underline{\text{Available Sizes:}} \, \text{Retail Size 0.17 FL OZ (5 mL)} \, | \, \text{Professional Size 1 FL OZ (30 mL)}$

Key Formulated Ingredients:

		
AC Dermapeptide	Warming Peptide	A peptide complex derived from the fermentation of a non-irritating chili pepper that increases circulation and provides a slight warming sensation.
Sepilift™ AC Collagen Prepeptide	Collagen Support Peptides	Helps to stimulate and rebuild collagen for a plumper, smoother, appearance.
Dermapep® A350	Collagen-Boosting Peptide	Helps to improve the appearance of fine lines and wrinkle.
Niacin	Circulation Support	A form of niacin that helps to increase skin oxygenation and increases vasodilation/circulation and collagen production.
Triple-Weight Hyaluronic Acid	Humectant	Attracts hydration to the skin for a softer, more moisturized feel.
Meadowfoam Estolide	Emollient	Meadowfoam fatty acids help to adjust hydration levels and have significant moisture benefits.

FULL INGREDIENT LIST:

Isononyl Isononanoate, Hydrogenated Polyisobutene, Polybutene, Ethylene/Propylene/Styrene Copolymer, Butylene/Ethylene/Styrene Copolymer, Pentaerythrityl Tetraisostearate, Polyglyceryl-3 Beeswax, Isopropyl Palmitate, Water (Aqua), Caprylyl Glycol, Meadowfoam Estolide, Flavor (Aroma), Dipalmitoyl Hydroxyproline (Plumping Peptide), Lactobacillus/Capsicum Frutescens Fruit Ferment Extract, Menthoxypropanediol, Benzyl Nicotinate, Butylene Glycol, Leuconostoc/Radish Root Ferment Filtrate (Raphanus Sativus Root Extract), Tripeptide-29, Hydrolyzed Hyaluronic Acid, Sodium Hyaluronate, Sodium Hyaluronate Crosspolymer, Isopropyl Myristate, Myristoyl Tripeptide-31, Calcium Sodium Borosilicate, Isopropyl Titanium Triisostearate, Stearalkonium Hectorite, Propylene Carbonate, Polyhydroxystearate Acid, Glyceryl Caprylate, Glycerin, Phenylpropanol, Ethyl Vanillin, Tocopherol, Glycine Soja (Soybean) Oil

May Contain: Silica, Titanium Dioxide (CI 77891), Mica (CI 77019), Iron Oxides (CI 77492, CI 77492, CI 77499), Carmine (CI 75470), Tin Oxide (CI 77491), Red 6 Lake (CI 15850), Red 7 Lake (CI 15850), Red 33 Lake (CI 17200), Yellow 5 Lake (CI 19140), Yellow 6 Lake (CI 19140), Yel
