

HydroPeptide Power Luxe

Hydra-Rich Infusion Cream

Anti-Wrinkle Collection

What it is: This deeply rich, ultra-restorative crème powerfully fortifies skin with long lasting hydration while delivering a luminous, sculpted and firmed appearance. The clinically proven retinol-alternative Bakuchiol pairs with four layers of hyaluronic acid along with anti-wrinkle peptides to stimulate collagen production and restore a youthful glow to the skin.

- Helps to reduce the appearance of fine lines and wrinkles
- Provides potent hydration
- Helps improve skin barrier function

Who it's for: Appropriate for normal to dry skin, especially those with dehydrated, sensitive, and aging skin

How to use it: Apply a small amount to a clean face and neck after applying serum of choice. May be used AM & PM. Follow with appropriate sunscreen.

Available Sizes: Retail Size 1 FL OZ (30 mL) | Professional Size 4 FL OZ (118.29 mL)

Key Formulated Ingredients:

| | | |
|--|--------------------------------------|---|
| Idealift™ Serilisine® Dermapep A350 | Structural Integrity Peptides | Peptide complexes that assist in improving structural integrity to fight against skin sagging and encourage a firmer, plumper appearance. |
| Bakuchiol | Retinol Alternative | Natural retinol alternative that helps to gently improve cell turnover, stimulates collagen, reduces lines and wrinkles, increases hyaluronic acid and aquaporins that are beneficial for retaining healthy hydration in the skin, and improves overall texture without irritation. |
| Hymagic™-4D | Multi-Dimensional Hyaluronic | Four kinds of hyaluronic acid help form a 3-dimensional network to aid in water attraction and retention, impacting multiple skin layers. |
| Skinectura™ | Skin Structure Optimizer | Extract from Organic Kangaroo Paw Flower improves skin architecture by regulating spacing and cohesiveness between essential structural proteins and improving the overall biomechanics of the extra-cellular matrix. |
| RonaCare® RenouMer COS + Hydrintense™ | Red Algae Extracts | Extracts from two different red algae. Hydrintense™ creates a protective film on the skin to reduce transepidermal water loss while RenouMer COS improves elasticity and increases moisture levels. |
| Moisturizing Oils + Shea Butter | Emollients + Moisture Lock | Borage Seed, Olive, Sweet Almond, Sunflower, Flax Seed, and Jojoba Oils provide a broad range of lipids to soften and protect the skin, while Shea Butter aids in locking in hydration and boosting barrier protection. |
