

HydroPeptide Solar Defense Tinted Broad Spectrum SPF 30 Anti-Wrinkle + Protect Collection

What it is: This color-adjusting matte sunscreen offers flawless coverage and a luminous finish with UVA, UVB and Infrared protection.

- Helps to protect against free radical damage that lead to fine lines and wrinkles
- Replenishes hydration without feeling heavy
- Camouflages minor imperfections while promoting a clear complexion
- Matte, tinted finish for a luminous glow

Who it's for: Appropriate for all skin types.

How to use it: Break-up color adjusting spheres by manipulating between fingers then apply to entire face and massage until evenly blended. Reapply every two hours and after swimming, excessive perspiring or towel drying.

Available Sizes: Retail Size 1.7 FL OZ (50 mL) | Professional Size 4 FL OZ (118.29 mL)

Key Formulated Ingredients:

2.5% Titanium Dioxide 6% Zinc Oxide	Physical Sun Blockers	Protects against UVA and UVB damage without leaving a white, chalky appearance.
Venuceane™	Infrared Protection	Defends against collagen degradation caused by infrared-induced stress and photo-aging.
ASEBIOL™ Galangal Root	Complexion Control	Reduces the appearance of oiliness and helps promote a clearer complexion.
RELIPIDIUM™ Hyaluronic Acid	Probiotic and Barrier Function	Shown to promote good bacteria while restoring barrier function and increasing hydration and lipids.
Actiphyte® Complex	Botanical Antioxidant Blend	A blend of Calendula, Cucumber and Acai extracts provide a rich source of antioxidants and polyphenols to nourish and protect the skin.
Aloe Vera Allantoin Chamomile	Anti-Irritants	Helps to calm and soothe sensitivity or irritation.

FULL INGREDIENT LIST: Active Ingredients: Titanium Dioxide (2.5%), Zinc Oxide (6%)
