

Soothing the Essence — £5.93

We cannot highlight enough our amazing ab:scent collection. This range of scent-free products caters to clients who dislike strong fragrances and those with sensitivity concerns. It creates a safe and inclusive environment for everyone to join in without worrying about flare-ups. We've carefully formulated our fragrance-free skincare range to be enriched with vitamins that gently care for even the most sensitive skin. Our products also contain anti-inflammatory properties that help to calm problematic skin, and our 100% organic Passion Flower Seed Oil is a favourite for its light hydration and balancing properties, which help to make the skin truly glow.

Cleanse — using our Ab:scent Melting Cleanser apply with circular motions over the face and neck – remove using warm mitts.

Polish — using Ab:scent Facial Polish gently buff away dry skin and impurities – remove using warm mitts.

Mask — with a mask of choice to suit clients skin concerns.

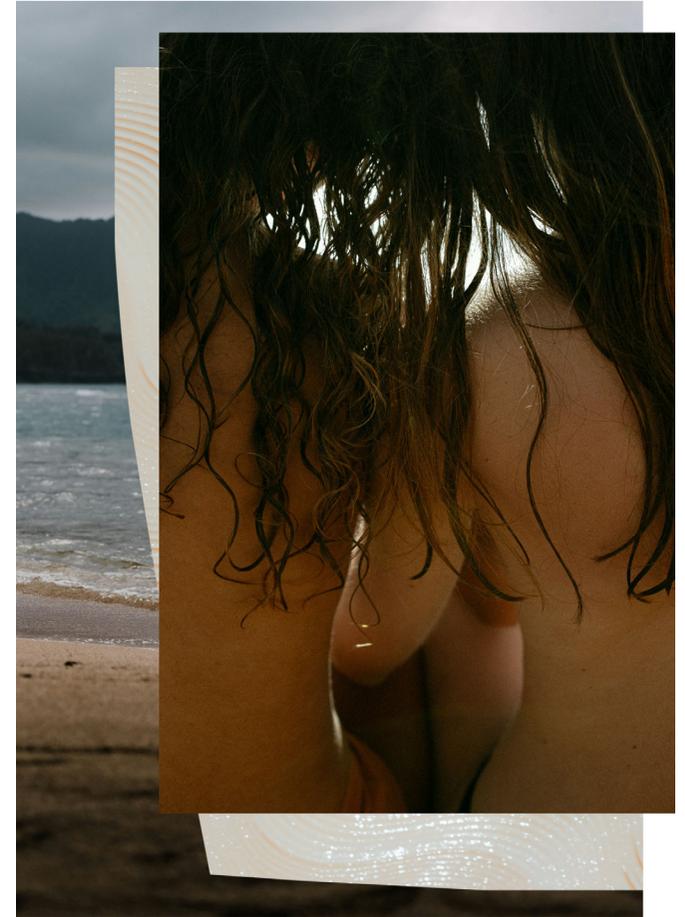

Massage — performing a relaxing scalp massage whilst the mask does its work – remove mask by peeling or warm mitts (depending on mask chosen).

Treatment — using our Passion Flower Seed Oil massage the face and neck.

Apply — green tea Ab:scent Super Serum.

Moisturise — using Ab:scent Eye & Facial Moisturiser.

Emma, Regional South West Manager's favourite product — Ab:scent Facial Polish.
