

DECOMPRESS SCALP MASSAGE

Leave the stress of the day behind and enjoy this heavenly experience that offers both relaxation and nourishment for the scalp and hair. Coconut oil is rich in fatty acids, vitamins, and antioxidants which can promote hair growth, improve scalp health, and add a natural shine to your hair, all combined with the unique fragrance of the Tiare Monoi oil flower. Instantly reduce stress and stimulate the senses - this is tranquillity at its best!

DECOMPRESS SCALP MASSAGE – 20 MINUTES

set the scene — place Tiare Monoi Melting Body Oil into hot caddy or warm water, filling the room with the luxurious scent.

massage — drizzle the warm Tiare oil directly onto the scalp, letting this trickle down, perform a relaxing scalp massage.

top tip — leave the oils in the hair for a deeply nourishing hair treatment.
