The Sprout is a fun quirky coat and hat stand that will light up any entrance and shared space. Made and designed by Issa Furniture the Sprout is has been designed with both form and function in mind. The Sprout is a statement piece which suits office environments, as well as hospitality, and residential. Free standing and fully assembled it is an easy addition to a fit-out. It looks great in standard powdercoating finishes but also works well in primary tones. With a solid timber pole in natural finish, this can be customised and stained to suit a customers needs.
