

AML Quick Reference Guide

Scepter

Starts at \$2,195 MSRP

- Android™ 7.1 (Nougat).
- 5" LCD with capacitive touchscreen.
- 47-key and 41-key tactile keypads.
- 802.11abgn, BT 4.0
- With or without pistol grip handle.
- 24.8 watt-hour battery.
- Barcode scanner: *Laser, 2D Imager, Near-Far 2D Imager.*
- IP65, 6' drop rating.

- ✓ The [Scepter](#) was engineered for industrial applications such as manufacturing or warehousing, where a rugged device is desirable.
- ✓ The integrated flashlight is ideal for illuminating dark corners of the warehouse and the optional camera is perfect for quick photos on the fly.

Striker

Starts at \$1,645 MSRP

- Android 8.1 (Oreo).
- 4" LCD with capacitive touchscreen.
- 47-key tactile keypad.
- 802.11abgnac Dual Band.
- With or without pistol grip handle.
- 24.8 watt-hour battery.
- Barcode scanning: *1D Linear Imager, Laser, 2D Imager, Near-Far 2D Imager.*
- IP65, 6' drop rating.

- ✓ The [Striker](#) is pre-loaded with applications that allow administrators to clone multiple units quickly, restrict user access to specific tasks, or control the behavior of the barcode scanner to maximize efficiency.
- ✓ Pre-loaded [DC Suite](#) Software

LDX10

Starts at \$695 MSRP

- Windows® CE 6.0
- 2.8" LCD with resistive touchscreen.
- 24-key tactile keypad.
- 13.4 watt-hour battery.
- Barcode Scanner: *1D CCD, 2D Imager*
- USB data transfer.
- Includes DC Suite applications as well as DC Console Program Generator.
- IP54, 4' drop rating.

- ✓ The [LDX10](#) and [TDX20](#) are perfect when real time data transfer is not required and an affordable solution is a priority.
- ✓ Pre-loaded [DC Suite](#) software supports these applications:
 - Inventory Counts
 - Asset Tracking
 - Check-in/Check Out
 - Audits

TDX20

Starts at \$895 MSRP

- Windows® CE 6.0
- 2.8" LCD with resistive touchscreen.
- 24-key tactile keypad.
- 802.11bgn radio.
- 13.4 watt-hour battery.
- Barcode Scanner: *1D CCD, 2D Imager*
- Includes DC Suite applications as well as DC Console Program Generator.
- IP54, 4' drop rating.

- ✓ Customize your own apps using the [DC Console](#) program generator.
- ✓ Simple and easy to use.
- ✓ Exports data into Excel or CSV formats for easy import into host applications.

M7225

Starts at \$1,495 MSRP

- Windows® CE 6.0 Pro.
- 3.5" LCD with resistive touchscreen.
- 55-key tactile keypad.
- Optional 802.11bgn radio.
- With or without pistol grip handle.
- 19.2 watt-hour battery.
- Barcode scanning: *Laser, 2D Imager.*
- IP54, 5' drop rating.

- ✓ The [M7225](#) is ideal for data collection applications in warehousing or retail back office environments.
- ✓ Batch variant (non-Wi-Fi) comes with DC Suite software pre-loaded and offers a full keyboard and larger screen than the LDX10.

AML Quick Reference Guide

Monarch

Starts at \$1,895 MSRP

- Self-Service Kiosk.
- Windows® 10, Android™ 6.1.
- 10.1" LCD with capacitive touchscreen.
- Power: PoE, 5VDC.
- Integrated 2D barcode scanner.
