

# TSC Printronix Auto ID Replacements for End-of-Life Datamax Products

Honeywell announced Datamax desktop and industrial printers will be End-of-Life (EOL) at the end of the year. As of January 2022, Honeywell will no longer accept orders for these printers.

Our TSC Printronix Auto ID product portfolio offers seamless printer replacement options with robust emulation capabilities and innovative technologies like standalone, RFID, barcode inspection, and remote printer management. Your customers will get all the benefits of Datamax printers and much more.
