BOXOUSA EVA FOAM TOOL STORAGE SOLUTIONS

Standard 26" Pro Series Drawer

Each BOXOUSA tool set in our EVA foam tool storage solution inserts are engineered to maximize the space for perfect tool organization. Every BOXO tool set that comes in EVA Foam fits precisely in our toolboxes or tool cabinets. The EVA foam tool storage insert provides an organized home for every tool and prevents tools from moving when opening and closing tool storage drawers. All of our tools are scanned in a CAD system and a computer-controlled routing machine then accurately cuts each tool shape into the EVA foam for a tight fit. The dual color red and black contrasting EVA foam allows for quick visual inspection enabling the user to quickly return the tool to its proper location.
