BUBEN&ZÖRWEIG

We are the world's leading brand for luxury safes and watch winders and the inventor of Multifunctional High-Security Objects.

We believe in the power of courage, the spirit of pioneering and in our passion for perfection.

We create incomparable masterpieces of highest technical finesse and unparalleled beauty.

100% MADE IN GERMANY and dedicated to the highest possible quality we only produce small series, limited editions and unique pieces.

Our Masterpieces delight connoisseurs of the extraordinary with the unique blend of German Engineering, fascinating aesthetics and perfect craftsmanship.

Welcome to the world of BUBEN&ZÖRWEIG where every Masterpiece tells a unique story.

BUBEN & ZÖR WEG

for

B&Z BESPOKE

With B&Z Bespoke, BUBEN&ZORWEG offers almost infinite room for customer requests, from special dimensions for our masterpieces to individually selected materials to match the living space interior; from special installation solutions to holistic room concepts; from individual design concepts with initials or logos to interior design adapted for special uses.

At the beginning of every B&Z Bespoke masterpiece there is an idea. Your idea. Let's talk about it. Our technical and design team will take care of your wishes in close cooperation with your architect and your designer, from the planning to the realisation in our manufactory to the installation on site. At the end is the fascination of having created something truly unique.

Our B&Z Bespoke team has decades of experience in fulfilling individual wishes. They are specialists in design, technology and innovation who can get excited about every new idea and are competent in planning and implementing unique projects, even if they should become very complex. They are our heroes who make even the most unusual wishes of our demanding customers come true.

BESPOKE. NO LIMITS.

OPTIONS & COLORS

OPTIONS

B&Z INSTALLATION SERVICE

- 1 B&Z Service technician
- Travel expenses included
- Customer has to provide additional personnel for moving and positioning the masterpiece on site

INCLUDED

ALARM SYSTEM

- Internal siren with approx. 108 dB
- Optional connection to the building's alarm system
- Activation / deactivation via transponder
- Status LED (alarm system active?)
- Sensors on doors and rear panels
- Additional shock sensor in the event of strong vibrations
- Long-lasting, tamper-proof rechargeable battery lasts for 3 days without power supply

\$ 2,100.00

HIFI SYSTEM

- Integrated high-end mono HiFi system
- Wi-Fi streaming technology for wireless and lossless transmission of music and radio streams from iPhone, iPad, PC and MAC via Airplay and Bluetooth
- 200 W high-end amplifier
- Perfect "Surround Sound" in high-fidelity thanks to the mono-beam reflection principle
- Unique synthesis of calotte, neodymium drive system, broadband system and bass reflex system
- Broadband system frequency range: 35 - 25.000 Hz

\$ 9,300.00

TRACKING SYSTEM

- Tracking system to protect your valuables
- Combination of GSM and Radio Frequency (RF) Technology
- Global coverage
- Web-based system, available for smartphones and tablets
- Easy access to search and locate functions at any time
