

Air Legs XL

The Siesta Air Legs XL Indent are produced by the latest generation of air moulding technology with a single injection of polypropylene. These legs are a classy and suitable option for any table top within the size range of 90cm x 180cm to 100cm x 200cm. These legs are available in either Black or White. They are UV stabilised making them a great option for both indoor and outdoor commercial environments. Can be disassembled.

These table legs boast sturdiness and durability and come with a 2 year structural warranty.
