

## BOOST+ Single Sided Workstation

Boost Plus has a full range of configurations, from a Single, corner workstation or desk and return to Back to Back workstations with screen division.

The range meets Australian standards for height range, has an LED digital controller, anti collision and anti tilt as standard and a 120kg plus weight rating.

With low noise emission and easy assembly Boost Plus meets all Height Adjustable workstation requirements.

The optional integrated cable tray and snake add ons make managing wiring simple.

### Finishes:

## Product Features
