

Eclipse Single Sided Workstation

The latest addition to our height adjustable range, the Eclipse boasts a designer round leg with options for privacy screens and tidy cable trays.

With a digital control panel featuring three pre-set positions, an LED display panel, keypad safety lock, and reminder alarm setting, you can easily adjust your workstation to your preferred height with just the touch of a button.

Our innovative anti-collision and anti-tilt technology ensures that your desk is protected from accidental damage, while operating quietly with a noise emission of less than 50DB.

With a 10-year warranty, you can trust that the Eclipse is built to last and will enhance your workspace for years to come.

Choose from single, corner and back to back configurations.
