Orlando Ergo Mesh

Introducing the Orlando Ergo Mesh chair, a sophisticated blend of style, strength, and comfort. Designed with precision and durability in mind, this task chair offers a range of exceptional features fit for any workstation, meeting room or executive seating.

At its core, the Orlando Ergo Mesh chair boasts a stylish yet reinforced nylon 5-star base sitting on 60mm castors, ensuring exceptional strength and a remarkable 160kg weight rating. A premium-quality gas lift spring provide fast and reliable performance, making height adjustments a breeze.

But what truly sets the Orlando Ergo Mesh chair apart is its customizable comfort. A fully-integrated, weight-activated tension, synchronous tilt mechanism and 4D adjustable armrest means that the perfect position can be achieved, regardless of your height or body type. The moulded backrest comes standard with adjustable lumbar support, while the lightweight, elasticized mesh backrest provides breathability and dynamic support throughout your workday.

Key Features

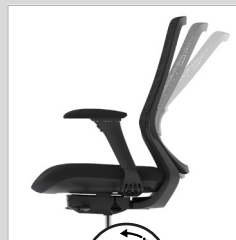

A. Mesh-Wrapped Backrest

High quality, flexible mesh-wrapped backrest with adjustable lumbar provides ergonomic support for all day comfort.

B. 4D Adjustable Arms

Armrests can be adjusted 4 separate ways by 3 different pivot axes and also height adjustable.

C. Synchro Tilt Mechanism

To ensure a smooth adjustment, an intuitive synchro mechanism tilts the seat as the back reclines.

D. Moulded Foam Upholstered Seat & Armrests

Seat and armrest have seamed upholstered moulding foam for additional comfort.

Orlando Ergo Mesh
