

CASE STUDY

Buro Maxim, Buro Dakota, Buro Metro II

SITE

Environment Canterbury,
Christchurch

SUPPLIED BY

Canterbury Office Furniture
cof.co.nz

THE PROJECT

Environment Canterbury moved into their purpose-built offices on Tuam Street, Christchurch in April 2016.

The Buro Maxim chairs were the chair of choice in the Café, all public meeting rooms and also in the Council Chamber as guest seating.

The Council Chamber features the Buro Dakota Executive chairs for the Councillors seating. Desk-based staff sit comfortably on Buro Metro II chairs, an ergonomic 3 lever mesh-back chair from the Buro Performance range.
