

The Missing Artefact

Intrepid explorer Teresa Trayals has been tasked with logging the whereabouts of eight artefacts from living museums.

Seven of them are safe and sound somewhere in a UK museum. The eighth is missing. Can you help her track the seven down and reveal which one she still needs to find?

Museum Puzzle Treasure Trails

Let's Go!

Either click on the links in each clue or type the link into a browser to explore parts of seven different museums in Google Streetview. Identify the artefact in the clue and eliminate it from Teresa's list.

Clue 01

bit.ly/TTMuseum01
Search this room to find the item behind glass in 'Sandwell', between a map and 'Walsall'.
Cross this item off the

Clue 02

bit.ly/TTMuseum02
Locate The Sun Inn on this street and then explore the stables down the side. Search all around to eliminate one of the items of Teresa's list.

Clue 03

bit.ly/TTMuseum03
Eek, looks like some people have already got their hands on this. Spin around to spot what's happening and eliminate a list item.

The Eight Artefacts:

- · Three Mariners sign
- Red fire bucket
- · Brass lamp
- · Set of jelly moulds
- · Navy Leisure Map
- · Finneys Seeds sign
- Blue lamp
- · Set of wooden games

Clue 04 bit.ly/TTMuseum04

There's plenty of machinery in here, but you'll also spot five of one of the items on Teresa's list.

Clue 05 bit.ly/TTMuseum05

Spin yourselves around to spot this one. Try not to get dizzy. You'll know it when you see it. Cross it off!

Clue 06 bit.ly/TTMuseum06

Looks like we've sent you back to school! Zoom out and examine your surroundings to spot this one.

Clue 07 bit.ly/TTMuseum07

You need to do some clicking to move from room to room here! Find a women cooking scones on an open fire. There's an item on top of the cupboard behind her.

The missing artefact is
