

# File with Style

Sick of that ugly and cluttered plastic filing thingy hogging up precious space on your desk? Well, now your standard 8.5 by-11-inch memos can be stored in the same spot as your 11-by-17 portfolio pieces and 16-by-20 prints. That spot is the wall-mounted Universal Vertical Filing Rack from Westerville Design.

The flexible filing system holds items in a variety of sizes in its 10 hangers, ensuring easy organization and quick retrieveability. The Universal Vertical Filing Rack also brings an attractive, functionality to a room from its pivoting bars to its industrial aesthetic.
